

HD680 External Hard Drive

When bringing your data on the road, you'll want to make sure it's well defended from knocks, drops, and prying eyes. Sporting a robust layered construction, shock sensors, and AES 256-bit encryption, the ADATA HD680 has you covered!

Military-Grade Protection

The HD680 meets the U.S. Military MIL-STD-810G 516.6 standard. It achieves this with a triple-layer construction that results in an external HDD that can survive falls from up to 1.22 meters.

Convenient Cable Management

The drive has a nifty groove that goes around its shell, serving as a convenient way to store the detachable USB cable.

Shock Sensors

The HD680 features shock sensors that notify you when impact or shaking has been detected with a red indicator light.

Your Data is Secure with AES Encryption

AES 256-bit encryption keeps the data inside password-protected and away from prying eyes.

Features

- Military-grade shock-resistance – Drop-tested from 1.22m
- Durable triple-layer construction
- Shock sensor technology
- Convenient Cable Management
- AES 256-bit encryption

Specifications

- Interface: USB 3.2 Gen1
- Capacity: 1TB / 2TB
- Color: Black / Blue / Yellow
- Dimensions (L x W x H):
124 x 101.7 x 22.9mm / 4.8 x 4 x 0.9"
- Weight:
270g / 9.5oz
- Warranty: 3 years
